Subject: Question about Jeffrey Epstein and [REDACTED]

To whom it may concern,

I'm contacting you on behalf of VG, Norway's biggest newspaper, to enquire about a quote which is attributed to an anonymous FBI agent at the American embassy in Stockholm. According to the Norwegian newspaper

EFTA00147998

[Dagbladet/Se og Hør](#), the FBI agent says: "FBI wants to speak with [REDACTED]. We're still trying to trace information about Epstein".

According to flight logs [REDACTED] travelled with Jeffrey Epstein's private jet several times, and we're wondering if it is correct that the FBI wants to speak with [REDACTED] in connection to Epstein? If so: Why? What information are you hoping to discover? Have you already contacted [REDACTED]? Are there any other Norwegian citizens or residents you wish to contact? Has there been any contact between the FBI or other American agencies and the Norwegian government, Norwegian Police Security Service or other agencies concerning Jeffrey Epstein, [REDACTED] or Crown Princess Mette-Marit?

If you could please get back to me at your earliest convenience, I would greatly appreciate it.

Best regards
